EVERY BRILLIANT THING

8 - 31 MARCH

Let's start way back when. Mum's depressed - she's in a place so dark it's confronting for a child, so her daughter starts compiling a list of every brilliant thing in life - a child's reasons to help mum keep going. Now it's 20 years later and the child's grown up. But she's still compiling her list. What started as a naïve way of getting through the day has become a profound truth - that the sublime can be found in the everyday.
