

## BELVOIR ARTS ACCESS PROGRAM 2017 APPLICATION FORM

We invite NSW government schools eligible for Equity Funding in 2017 to apply for free theatre tickets through our arts access program. Please be aware that:

- We anticipate many ticket requests for *Jasper Jones* and *The Rover* so please nominate three plays that you are interested in attending, in order of preference.
- It assists us if you can nominate (where possible) two performance dates for each play, in order of preference.
- **An email will be sent to confirm your booking** and we ask you to confirm this offer for tickets via return email.
- Due to the high demand for tickets we are unable to guarantee you the play of your choice or the number of tickets you request.
