

2023 - 24 HSC IP WORKSHOPS

Artist workshops for HSC Drama Individual Projects (IP) and English Ext. 2 Drama script.
Belvoir HSC Workshops are suitable for students who have commenced their HSC course or are doing a compressed curriculum.

Each workshop is led by a Belvoir artist - actors, designers and directors.

PERFORMANCE	Monologue Series DIGITAL 3 evenings, Mon 6 Nov - 20 Nov 2023 During this three week series an actor will guide students through the rehearsal and development process of a solo performance, building skills that can be used throughout the project.	POSTER & PROMOTION	Introduction To Promotional Design DIGITAL Sun 18 Feb 2024, 1PM - 4PM For Students & Teachers. In this masterclass our marketing expert will unpack the style and branding used in Belvoir's season collateral and promotional materials and how the structure of programs, posters and imagery is used to tell a story.
	Monologue Masterclass AT BELVOIR Sun 19 Nov 2023, 1PM - 5PM This masterclass is a practical approach to skills that can be used to build a solo performance from the start of the rehearsal process to refining a monologue performance.		Introduction To Lighting Design DIGITAL Sat 18 Nov 2023, 10AM - 1PM For Students & Teachers. In this masterclass a theatre designer will share the process of creating a design vision through lighting and how to execute their design into a plan, navigating technical terminology and design process.
SCRIPTWRITING	Introduction To Playwriting AT BELVOIR OR DIGITAL Sat 18 Nov 2023, 2PM - 5PM Suitable for students starting their HSC Drama and/or HSC English Ext. 2 scripts. Our playwright will explain how to take their idea from concept to page through structure, story, world and character building.	DESIGN	Introduction To Costume Design AT BELVOIR Sat 18 Nov 2023, 1PM - 4PM Sun 26 Nov 2023, 10AM - 1PM DIGITAL This masterclass workshop looks at all the fundamental elements of designing costumes for the stage, including historical context, script analysis, how to approach renderings and what makes a robust design.
	The Director's Vision AT BELVOIR Sun 12 Nov 2023, 1PM - 4PM Suitable for projects requiring a Rationale as a directorial concept. This workshop will unpack the creative process of generating ideas and communicating cohesive and innovating concepts that guides the Director's Folio and Design projects.		Introduction To Set Design & Model Making AT BELVOIR Sun 18 Feb 2024, 9AM - 5PM For Students & Teachers. In this full-day workshop a designer takes you through fundamental elements of designing set for the stage and a practical and in-depth model-making masterclass. The day includes script analysis, capturing intent and creative vision and what makes a robust design.
